### Subject: Seeking Data, Building Knowledge

Chandra Athithan is a key resource and associated with Amazon project since Jan 2021 and he has taken all the responsibility from an Associate level team member who has left the organization. Chandra has taken all the KT and handle all the client queries. Chandra is helping other team member as well and completed his Nuxeo certification. He is a key resource for amazon account.

Received: October 2021

From: Korlepara Praneetha | Business Analyst | Cognizant

### Subject: Excellent developer, good understanding on project

Chandra is working as a Developer in Amazon project. He has taken all the responsibility of Nuxeo development after a critical resource moved out. As he is a PAT he did a hard work and has taken all the responsibility to support the project and all enhancements. He has implemented two solution very quickly one is easy share folder and one is custom changes on Integration . Chandra is helping support team to resolve Nuxeo issues along with his Phase 1 development work. Chandra is Key resource for Amazon project. He is very critical to run Amazon Phase 2 development project.

Received: December 2021

From: Vemula Divya | Senior Associate | Cognizant

### Subject: Thank you Note!!

I would like to Thank you for the support in lending the resource to complete Workfront Integration in Platform. Chandra - Thank you so much for helping us in this Integration (two ways). Webhook integration was completely new to us and you have explored in short time and gave us the right information. Apart from Webhooks you also shared the details and provided the support in Workfront application on how we can access, configure the metadata and ingest Workfront documents in Nuxeo. Thanks Again

Received: December 2021
